## FRIENDS OF KENYA

DEVELOPMENT PROMOTION, EDUCATION,  
HEALTH CARE AWARENESS &  
INTERNATIONAL RELATIONS.

## ORGANIZATION

The association Friends of Kenya devotes its operations to development promotion, education, health care awareness and international relations.

The necessary means to achieve and realize the goals of these projects is through donations.

The projects and programmes are run together in partnership with a local Kenyan non-governmental organization, COTRR.

Directors of COTRR doing their day to day business

## ACTIVITIES

### Education

- ~ Payment of school fees for children from poor background.
- ~ Support for Education and much more.

Faith in Murang'a

Ruth, Nyanduma (before and after sponsorship)
